

## CLI EDUCATION PACKAGES - With Hywel Roberts

Devised and delivered by Hywel Roberts

If you need something that isn't offered here, contact [Catherine@createlearninspire.co.uk](mailto:Catherine@createlearninspire.co.uk) and she will be able to suggest alternatives appropriate to your organisation's needs.

Package Title	Duration	Description	Audience
<b>Education Package One: The Keynote</b>  <b>(EP1H)</b>	<b>Up to 1 hour of input</b>	Hywel will offer a Keynote that will inspire your audience and give his take on the world of education, learning, literacy, investment and optimism. He'll also be really funny, grounded and motivating.	Everyone with an interest in learning
<b>Education Package Two: The Keynote and a Workshop/A Training Morning</b> <b>(EP2H)</b>	<b>Half day – up to 3 hours</b>	Hywel will offer a Keynote that will inspire your audience and give his take on the world of education, learning, literacy, investment and optimism. He'll also be really funny, grounded and motivating. In addition, Hywel will deliver a bespoke workshop for a smaller group, covering themes appropriate to the event. Alternatively, this could be a <u>Training Morning</u> of up to three hours.	Everyone with an interest in learning
<b>Education Package Three:</b>  <b>The Training Day</b>  <b>(EP3H)</b>	<b>Full day – up to 5 hours</b>	This is a full day's training experience with Hywel. Up to five hours of quality input bespoke to your organisation's needs, be it creativity and compassion or curriculum and classroom. Rooted in reality and experience as well as research, a training day with Hywel will be memorable, motivating and have lasting impact.	Everyone with an interest in learning
<b>Education Package Four:</b>  <b>The Training Day PLUS</b>	<b>2 full days – up to 10 hours</b>	The most popular package Hywel offers: <b>The Training Day PLUS In-Class Modelling Day.</b> This is a full day's training experience with Hywel. Up to five	Primary School Organisations

<b>(EP4H)</b>		<p>hours of quality input bespoke to your organisation's needs, be it creativity and compassion or curriculum and classroom. Rooted in reality and experience as well as research, a training day with Hywel will be memorable, motivating and have lasting impact.</p> <p>On day two, this is where the content of the initial full day's training day is brought to life, LIVE in two of your classrooms during a normal school day. Teachers and colleagues are invited to observe Hywel working with children modelling the ideas and approaches from the training day. A typical day would look like this:</p> <p><b>Morning:</b> <i>Up to 70 minutes in class observed and supported by colleagues</i></p> <p><i>Debrief and pedagogy discussion in meeting space</i></p> <p><b>Lunch</b></p> <p><b>Afternoon:</b> <i>A repeat of the morning programme with a different class</i></p> <p><b>Extras:</b></p> <p><b>A twilight session following the In-Class Modelling Day can be added if desired*</b></p> <p><b>Further 'in class' days can be added to the package*</b></p>	
<b>Education Package Five: The Training Day PLUS with Hywel and Paul</b>	<b>Two full days – up to 10 hours</b>	<p>Day one is a full day's training experience with <b>Hywel</b>. It's up to five hours of quality input bespoke to your organisation's needs, be it creativity and compassion or curriculum and classroom. Rooted in reality and experience as well as research, a training day with Hywel will be memorable, motivating and</p>	Primary School Organisations

<p><b>(EP5H)</b></p>		<p>have lasting impact.</p> <p>Package Four is the most popular package for a reason! Hywel won't always be able to do follow up days in class, but <u>Package Five</u> can sort that. On day two, Paul Bateson will bring Hywel's initial day to life, LIVE in two of your classrooms during a normal school day. Teachers and colleagues are invited to observe Paul working with children modelling the ideas and approaches Hywel shared on the training day. A typical day would look like this:</p> <p><b>Morning:</b> <i>Up to 70 minutes in class observed and supported by colleagues</i></p> <p><i>Debrief and pedagogy discussion in meeting space</i></p> <p><b>Lunch</b></p> <p><b>Afternoon:</b> <i>A repeat of the morning programme with a different class</i></p> <p><u>Extras</u></p> <p><b>A twilight session following the In-Class Modelling Day can be added if desired*</b></p> <p><b>Further 'in class' days can be added to the package*</b></p>	
<p><b>Education Package Six: The Twilight</b></p> <p><b>(EP6H) Hywel</b> <b>(EP6P) Paul</b></p>	<p><b>Up to 90 minutes</b></p>	<p>The Twilight Package covers a session after school hours for up to 90 minutes. This session can be delivered by either <b>Hywel</b> or <b>Paul</b>. It's a practical, informative and inspiring session based on Hywel's research and experience that will have colleagues reflecting on their practice whilst considering the organisation's bigger picture: its curriculum, values and pedagogy.</p>	<p>Everyone with an interest in classroom learning</p>

<b>Education Package Seven:</b>  <b>The Pre-Dinner or After-Dinner Speech</b>  <b>(EP7H)</b>	<b>Up to 50 minutes</b>	Let Hywel get your colleagues and friends in the right mood for their celebratory dinner. Laughter guaranteed.	Everyone with an interest in classroom learning
<b>Education Package Eight:</b>  <b>The Skype</b>  <b>(EP8H)</b>	<b>Up to 1 hour</b>	Hywel can present to your team remotely at an agreed time. This session can be tailored to your needs and will planned in consultation with you.	Everyone with an interest in classroom learning
